Dear,

**We can hardly believe the Peace and Blessing Festival is only 3 days away!** This past year has been especially challenging for many families as we navigated through the pandemic. The great news is there are many ways for us to refresh, uplift, and revive our families to ones filled with true love, peace, and happiness! **Join us on June 5** for an evening of celebration, inspiration, as well as practical tools as an an injection of hope and new vision for our families.

**Have you already RSVPed?** Why not invite a friend? We'd love to see you there! And don't forget, if you want to watch together with us at WFWP, you can join our Watch Party (information below).
