“When our mindset (and heartset) changes from wishing to receive love, to wishing to give love, then world peace will be at hand.”

- Dr. Hak Ja Han Moon

Dear Women and Mothers of Peace,

Happy August!

We united in heart and in sisterhood for our prayer circle last Saturday for peace and healing of our nation. Thank you to those who joined and prayed with us, as we continue to create a growing and safe space for sharing and unity.

Many of you reflected on the reading beautifully. Please tune in to the recording if you couldn't make it or would like to listen again and to share with others!

See you at our **next Prayer Circle on Saturday, August 14, 2021!**

With love and gratitude,
Angelika Selle and Rev. Dr. Linda Nishikawa

Women's Role in World Peace

Messages for Women from Dr. Hak Ja Han Moon, page 24

I see the greatness of God's handiwork in American women of every racial, religious and cultural background. But there is one thing that binds most of us here: we are women united to build a better and safer world for all children and families.
