

WFWP USA: Recording of Interfaith Women's Prayer Circle for Peace, August 28

Angelika Selle
August 31, 2021

Dear Women Prayer Warriors and Women of Peace,

Thank you for attending last Saturday's prayer circle for peace and healing of America!! Our new co-leader, Mrs. Sahara Cardenas led this most spirited call, as we opened with a passionate prayer from Latino Ministry Representative Helena Morena in her mother language, Portuguese, followed by the reading (see down below) delivered by a young woman, Iris Wojtowicz.

Deep reflections were shared on women's role as priestesses, comments from President Angelika Selle, all closed by Minister Sheila Horn's (Victory in Christ Christian Center) powerful prayer.

We invite you to hear it again and also share this recording with others.

Also for the upcoming session on September 11th and onwards, we seek to add one more feature: a brief testimony from anyone who would like to share for two minutes as to "HOW YOU OVERCAME A CHALLENGE THIS WEEK."

The session will end around 1:25 pm EDT.

Have a wonderful week and HAPPY SEPTEMBER!

Mother of Peace: A Memoir

By Dr. Hak Ja Han Moon, page 158

"My husband once called me a High Priest. He said that in God's dispensation until this era, men were the high priests, but we are entering the age of the wife, and women need to fulfill the priestly ministry. It is women whom our Heavenly Parent is calling to serve as the mediators of forgiving, purifying and regenerating grace to all humanity."
