Dear WFWP Friends and Colleagues,

We are happy to share with you the recording of a recent webinar on the topic of **"The Influence and Leadership of The United States First Ladies: Perspectives of the Chiefs of Staff and Key Personnel,"** which was aired on September 23, 2021 and sponsored by Women in Leadership, a project of The Washington Times Foundation.

Hear and enjoy the eye-opening and insightful stories about the work of former First Ladies from former Chiefs of Staff. First Ladies, indeed, affect great impact in their own more quiet ways.

Featured among the distinguished panelists was our own Mrs. Alexa Ward, former President of WFWP here in the United States, who also held the position of the Executive Director at the Eleanor Roosevelt Center at Val-Kill, New York for a number of years.

This looks to be the first edition of a non-partisan series, co-sponsored by the Universal Peace Federation and the Women's Federation for World Peace USA. Stay tuned for future programs!

With warm regards,

Angelika Selle
WFWP USA President
