FOR WORLD PEACE USA**

Dear Women Leaders and Friends,

We are delighted to invite you to a very special program hosted by WFWP International, the UN Office Team in New York City on **Friday, October 22 at 9 A.M. EDT.**

I personally love the topic and title for the occasion: **Intergenerational Cooperation and Our Journey to Peace.** Why?

Because our very own **WFWP USA Vice President, Mrs. Katarina Connery** is one of the esteemed panelists!

Please, take the time to register and hear what they have to say about the UN DREAM, which has been already jeopardized in so many ways, and is in need of revival.

We wish all speakers well!

Hope to see you there!

Sincerely,
Angelika Selle

Greetings from the WFWPI Office for UN Relations in NY,

We cordially invite you to commemorate the 76th Anniversary of the UN's founding with us, as Women's Federation for World Peace International (WFWPI) and the International Association of Youth and Students for Peace (IAYSP) will host a Virtual Forum on the topic of "The UN Dream: Intergenerational Cooperation and our Journey to Peace," featuring the voices of leaders from both the younger and elder generation, as they discuss their challenges and hopes in realizing the UN's dream for peace. This webinar co-sponsored by the Permanent Mission of the Republic of the Philippines to the United Nations in New York will take place on **Friday, October 22, at 9 A.M. EDT.**

"The UN Dream" will be a space where inspiration and wisdom will be exchanged through keynote addresses from leaders of both generations on the role and legacy of the UN, highlighting the significance of intergenerational cooperation. This will be followed by a dialogue where these leaders will explore the tension that exists as the dream and founding principles of the UN are bequeathed to a new generation of leaders in our journey to realizing a world of sustainable peace.

Please register with the button below to confirm your attendance and to receive your Zoom link.

Also, feel free to RSVP on our [Facebook event page](#) to receive updates and reminders about the event.

We look forward to seeing you!
