**Dear Women and Mothers of Peace,**

Greetings of love from WFWP USA!

We look forward to our upcoming Interfaith Women's Prayer Circle this coming **Saturday, October 23, 2021 at 1 pm EDT**, where we will share our insights about the deep and natural connection human beings have with nature, Mother Earth, and the offerings we receive from her that bring us healing and joy.

During the Prayer Circle session, we also welcome anyone who would like to share a **brief testimony for two minutes** as to **"HOW YOU OVERCAME A CHALLENGE THIS WEEK."**

Please, read the quote below, and be ready to share your insights and reflections as well as share this invitation with other women and mothers of prayer!

Looking forward to hearing you on the call!

With love and gratitude,  
Angelika Selle and Sahara Cardenas

***"Human beings and nature have an inseparable relationship. We can be enlightened about God's act of creation and His mystical truth through nature, which represents Him, only when we live in it, invest in it, and study it. We can feel the infinite joy and love that God felt when He created the earth for us. When we do so, we can live each day with a heart of love and gratitude."***
