Dear WFWP Friend and Supporter,

We are very inspired to invite you to a special, end of the year online global Rally of Hope, centering on PRAYER for the Reunification of the Korean Peninsula, which has been and still is on the forefront of our Founder Dr. Hak Ja Han Moon's heart at this time!

This online Interfaith Prayer Rally for Peace on the Reunification of the Korean

Peninsula, will be **streamed live at RallyOfHope.us this coming Saturday, December 4 at 7 p.m. EST.** As always WFWP USA is honored to collaborate with other sister organizations and the Universal Peace Federation (UPF), who is the sponsor for this event, to reach millions of people around the globe to create awareness of the urgent need for peaceful reunification to take place as soon as possible.

WFWP Founder Dr. Hak Ja Han Moon, a native of present-day North Korea who fled to the south during the Korean War and the host of this rally, deeply understands the issues of her divided homeland. She and her husband have tirelessly invested over the last few decades towards resolving this severe conflict between two opposing ideologies. They feel that once Korea is united, there is hope for other countries and areas of conflict to find solutions to the deep divides.

Dr. Hak Ja Han Moon also, on many occasions, said that "today's conflicts cannot be solved by human power alone - but only with divine intervention." Therefore, this upcoming rally is calling on leaders and people of all faith traditions, and people of spirituality and conscience to come together in prayer.

We hope you will join us!
