**About the Employer:**

Women's Federation for World Peace, Inc. (WFWP USA) is a not for profit organization headquartered in New York City. WFWP USA unites women leaders in the cause of promoting peace and reconciliation. We are the pioneers in education on Leadership of the Heart. We are empowering women to discover their unique value to create a culture of heart in order to bring lasting peace as one family under God.

The Global Women's Peace Network (GWPN) brings together leaders, organizations and governments to solve pressing social issues and secure an environment for equitable human development. Through peace leadership based on the feminine aspect of human nature, GWPN seeks to ensure lasting peace and prosperity for generations to come. # Global Women's Peace Network

“What I gained from the [GWPN] conference is that this is no longer dress rehearsal... and by being with this group of women I can see so many people in so many areas that are primed and ready to go.”

— Cynthia Myers

## AREAS OF IMPACT

WOMEN'S LEADERSHIP

Peace culture calls for a new leadership paradigm: where masculine and feminine can harmonize and enhance each other's strengths, and provide a place for the rise of future leaders.

## FAMILY

As the most fundamental and natural unit in society, family is the place where love between husband and wife is shared, life is created, core values and culture is transmitted, and tools necessary for citizenship in a culture of peace are provided.

## ENVIRONMENT

The earth is our home and belongs to humanity collectively, to be treated with respect and awe - and cultivated and shared with the intention to enhance/ develop it and protect it for future generations.
