

WFWP USA: Two Women. Two Continents. One Incredible Journey.

Angelika Selle
December 15, 2021

One American woman dreamed of fulfilling her heart's desire, adopting a child and becoming a mother. It had been hers and her dear husband's greatest hope before he passed.

One Congolese woman, who had experienced the heartache of losing several children to miscarriage, understood the longing heart of motherhood.

They were separated by an ocean, but the dream of the American woman and the compassionate heart of the woman in Congo were connected through an international network of women peace builders, namely, Women's Federation for World Peace. In this miraculous way, hearts could connect and dreams could be fulfilled.

Thanks to the connection built through WFWP and with faith and the knowledge of **global sisters' love and support**, the two mothers-to-be came through.

They met face-to-face at a special ceremony where a beautiful, healthy, baby boy was proudly gifted from his birth parents to his new mother. He and his adoptive mother have kept in touch with their Congolese family, building a deep and lasting family connection like no other.

Women connected in heart and purpose can do anything! We can achieve amazing positive change, impacting families and communities through leading by the Logic of Love.

We wish you and your family Greater Hope in 2022! And remember, women working together can achieve anything they set their heart on. **We ask for your support to create this kind of Culture of Heart.**

Your gift of \$25, \$50 or \$100 today will go far to **bring Greater Hope and build lasting peace.**

Help women share their nurturing and resilient hearts with the world!

"When our mindset changes from wishing to receive love, to wishing to give love, the world of peace will be at hand."

- Dr. Hak Ja Han Moon

Do you agree that our families, communities and humanity at large need a new mindset and heartset to solve our many social issues? Women have something to unique offer in that area, as women bring a different angle and naturally think and operate from their hearts. To bring out that inner strength, and give women the confidence to do so WFWP USA provides

tools to **empower women leaders** with skills and a supportive community, allowing them to foster genuine peace.

You can help support this mission for Greater Hope in 2022! The world has been out of balance for far too long. It is missing the **voice and action of mothers and women in leadership**. Together we can care for our communities and provide hope. WFWP USA service projects, charitable grants, peace leadership, and educational programs are the cornerstones for our vision of a unified world, based on the Culture of Heart.

Thanks to generous donors like you, in 2021, WFWP USA:

- educated 440 people in **Leadership of the Heart**, a new paradigm of leadership
- educated over 1,500 on the power of **marriage and family** to create peace
- educated over 5,200 on local, national, and **international peacebuilding**, including collaborations to promote North-South Korean unity and
- supported the education of young students in need in Jordan, Cambodia, and 8 African countries.

Students provided with opportunities become the educated bearers of the Culture of Heart for their communities! Peace builders brought together with a unified purpose provide hope and direction for long-time enemy nations to become partners. Couples who receive marriage education gain resources to build long-lasting relationships, creating happiness and peace for themselves, their children, and society. Women leaders empowered to embrace a new leadership style bring positive change to all their spheres of influence: the family, the community, education, business, the arts, everywhere!

As one fan expressed it, ***"Thank you for sharing about the character God gave to we women, to care for, invest in, and embrace others wherever we are. Congratulations to the founders of WFWP for making a difference for good in our families and world!"***
