*"O.M.G I loovvee this!"*  
*"Very precise, practical ways to strengthen marriage and family!"*  
*"So inspiring and empowering!"*  
*"🙌great!!!"*  
*"My husband and I appreciate this uplifting message."*

These are just a few of the comments shared at the most recent WFWP Watch Party of the Blessing Fest. It was surely an evening we won't soon forget! It was full of talented entertainment, uplifting and practical messages, a moving keynote address from Dr. Hak Ja Han Moon - WFWP Founder and Mother of Peace, and lots of smiles, connections, and enthusiasm. We hope you got an inspiring glimpse at what is possible through the Marriage Blessing to bring couples and families together and deepen those important bonds.
