Dear Women of Faith and Women of Peace,

Thank you for joining our powerful and heartfelt prayer call for healing and peace between Ukraine and Russia last Saturday, March 12, 2022! We thank everyone who participated and poured in their hearts, the hearts of mothers who raised their voices to our Creator for intervention in the war in Europe and for peace.

We felt moved by all prayers, and felt to share one with you in writing, by Minister Fannie Smith, who is not mentioned on the program, but prayed in place of Nadya Kamiyama, and stirred up our hearts. Also please, hear the beautiful song: "Mother's Healing Hands" during the program.
