Dear Women of Faith, Spirituality, and Peace,

Thank you so very much for your presence and contribution to another most spirit and soul filled prayer call for healing and peace in Ukraine and most of all for this insane war to end soon!

Our apologies for not having been able to record this last conference call due to technical difficulties. We will take care of it for next time.

However, please, enjoy the song of the Ukrainian girls choir (see below) which moved all our hearts during meditation time.

Also for your reference, I am adding the link to the video I referred to when sharing about the spiritual history of Ukraine, and Mother Mary's involvement, as well as prediction of this current war. (21.40) If you have time to listen to the entire recording, it is very interesting.

All people of faith world wide are now coming together in prayer, even Pope Francis mobilized all Bishops world wide to join in prayer, because prayer works!
