

WFWP USA: Happy 30th Anniversary of the Women's Federation for World Peace

Angelika Selle

April 10, 2022

To all of our wonderful WFWP members, friends, and supporters,

Wishing all of you a very happy 30th Anniversary of the Women's Federation for World Peace!! **It's been 30 years of working together with you to empower and equip women to discover their innate feminine value as leaders of the heart and realize an environment for lasting peace in their families and communities.** Whether you have been involved recently or since the founding on April 10, 1992, *you* have helped make a difference in building a culture of heart here in the United States and beyond--as members, supporters, friends, volunteers, contributors, and more. **We are grateful to each of you!**

This year also marks the 10th Anniversary of the Global Women's Peace Network, a project of WFWP, and the 25th Anniversary of WFWP's General Consultative Status at the United Nations. Please join us in remembering and celebrating how far we have come!

We want to give a special **thank you** to all of our WFWP PeaceBuilder members who have also been substantially supporting WFWP's work, helping us to sparkle and shine brighter every year, reaching more and more women with the message of living by the logic of love.

Our Founder, Dr. Hak Ja Han Moon, The Mother of Peace, said, "**The central role of women is all the more vital if the unfolding century is to be characterized not by power and technology, but by culture and by love. We must all push ahead in the conviction that no matter how wounded and scarred this world becomes, it can be healed and cleansed by the substantial work of a women's federation united in the vision of God's true love.**"

Here's to the next 30 years of impact and making a substantial shift toward peace! 🎉

Sincerely,
Angelika Selle
WFWP USA President

“Amazing vision and perspective to heal the world. For any young woman (like myself) looking to make a difference, this is an amazing group to get support, resources, and the opportunities needed. The female perspective and presence is so powerful and when we are able to bring the world together...anything is possible”
