Dear,

We at Women's Federation for World Peace are so grateful and happy to celebrate our 30th Anniversary this month!

Since our founding in April 1992 in Korea, we have empowered women throughout the world to discover their value as Leaders of the Heart, and to create an environment for true love and lasting peace. This year also marks the 25th Anniversary of WFWP's General Consultative Status at the United Nations. **We would like to express our special appreciation to all long-time supporters and to new members of WFWP.** You are making a difference for the world through your membership! Your membership support furthers the impact of the embracing and nurturing love of women and mothers, for the sake of our communities.

This special year, we would like to offer our founder, Dr. Hak Ja Han Moon, the Mother of Peace, increased memberships from the USA. **Our goal is to have 1,000 memberships by Mother's Day.** May we count on you to help us with this lofty goal?

There are many levels of membership, one just right for you. For example, **Bronze level is only \$50 for a year-long membership.** Skip the coffee shop a few times, and nothing is easier than finding the amount for a WFWP membership! **A \$15 per month contribution is Silver Level,** which comes with additional benefits.

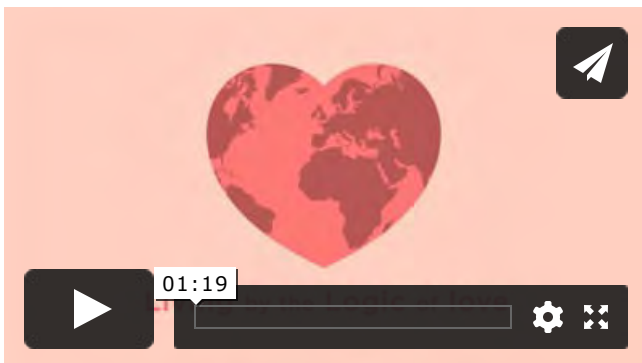

We invite you to reach out to your friends, coworkers, daughters, and relatives to support WFWP. You can even sponsor someone's membership by your own contribution, a very good way for gentlemen to support! We are so excited to make our offering on this coming Mother's Day to our founder. We are so grateful for your past and ongoing support.

Sincerely,

the WFWP USA team and WFWP USA President Angelika Selle
