**We are so excited to embark on a new decade** of empowering women to discover their innate feminine value as Leaders of the Heart. With your help, we will achieve genuine and sustainable peace under God!

"At this point in time...the role of women is quite important. [Women] need to take the lead in educating others about God. You need to educate those around you with a maternal heart, so that the people in your regions, tribes, and the nation itself can receive God's Blessing..."

Our path lies in splendor before us. There is nothing to stop us. We can be confident. We have nothing to be afraid of. What is making you hesitate? [I]f we march forward together, miracles will be wrought.

I hope that you will all become WFWP members who are qualified to establish Heaven's traditions and educate others..." -Founder Dr. Hak Ja Han Moon on the 30th anniversary of WFWP
