FOR WORLD PEACE USA

Greetings and Congratulations to all WFWP members,

As we experienced a most wonderful, moving and uplifting 30th anniversary celebration of WFWP International last Saturday on May 7! We are happy to share with you the recordings of all parts of the program, so you and we all can review and re-experience it again, and also share with friends and family (see also photos below!).

We were able to honor officially only a few representatives of each category of Honorees, which was very difficult to do, as there are so many of you, and others who have contributed over the years, and who deserve this International Volunteer Award and Partnership Acknowledgement. Therefore we will do our best to honor more of you in our upcoming National 30th Anniversary Celebration in October (October 22, TBC), which will be held virtually.

CONGRATULATIONS and THANKS to ALL of you, for your valuable contributions you made in whatever capacity, in the fore front or silently!

You are indeed the owners and stakeholders of this growing organization.

Enjoy this video below and celebrate YOU!

Sincerely,
Angelika Selle

Let's also thank our former and current International Presidents, Vice Presidents, ISG, and all WFWPI Staff, as well as all and each one of us on the way who is giving its utmost effort to keep going on.
