

WFWP USA: National Prayer Call for Healing and Peace in Europe & USA, May 28

Angelika Selle
May 27, 2022

Dear Women of Faith and Women of Peace,

We never expected for the war between Russia and Ukraine to take this long: 3 terrible, unbelievable months!! We will only determine to increase our prayer warriorship to counteract these spiritual forces of destruction that are behind it all!

We are still in shock and appalled to see innocent schools children shot while in school for truly no reason whatsoever. America is hurting and it might have to be the women and mothers to stand up and say: ENOUGH IS ENOUGH! and take back our children and schools.

Let us gather tomorrow, dear women and mothers of America, of all faiths and backgrounds to pray for peace and also insights as to how we can turn the tide for the sake of ending war and violence at home and abroad.

Please join us again on the phone conference call line tomorrow [Saturday, May 28, 2022 at 1:00 PM EST](#) to put our hearts together and raise our voices for a miracle to happen.

Dial-in: (605) 313-5384

Code: 13 54 80#

Please notice, this is a phone conference call!

With love and prayers,
