PRAYERS FOR PEACE IN EUROPE & THE UNITED STATES

Dear Women of Faith and Women of Peace,

As we continue our fervent prayers for Russia and Ukraine, we also want to intensify and continue our prayers for America, and divine intervention as well as action on the ground to stop the increasing shootings and violence in our streets and institutions.

America is hurting and it may come down to us women and mothers to stand up and say: ENOUGH IS ENOUGH! and take back our children and schools.

Meanwhile, we believe in the power of united fervent prayers based on which we affirm that PRAYER CHANGES THINGS and PRAYER CHANGES PEOPLE!

Dear women and mothers of America, of all faiths and backgrounds, we invite you to pray for peace and also offer insights as to how we can turn the tide for the sake of ending war and violence at home and abroad.

In preparation, please, read the moving PRAYER FOR THE NATION, by Min. Fannie Smith (see below) which she shared with us last week.

Join us again on the phone conference call line tomorrow [Saturday, June 4 2022 at 1:00 PM EST](#) to put our hearts together and raise our voices for a wake-up call of all good citizens and righteous people to do something, wherever we are.

Prayer for the Nation

Minister Fannie Smith

Let us pray as we enter into the realm of the most Holy. Father God as we pray for the Nation, let our leaders be people who honor your holy name for it is only from you that they receive True wisdom.

We come to you because the people of this nation and everything in it belongs to you. We are not here by accident!!! Our existence is given to magnify your name, care for others, and to shine a light in dark places. Oh Heavenly Parent, people of this country are turning against each other. Families are cracking, communities are not committed, and childhood is being stolen from our young people.

We come to your throne on bended knees, asking you to heal our hearts, heal our land. Remove the bitterness, and hatred that sometimes seem to come from the very water we drink or air we breathe. Keep our prayer vigils on this call strong, as we pray for leaders around the world. Intercede like at Pentecost, where each nation can understand the tongue spoken by other nations. We believe that you are the true and living God, Let our light shine so that others can see our good works, and be examples. We will continue to worship you in Spirit and in Truth.

In Jesus name we Believe and Pray.

Amen, Amen.

With love and prayers,
