

## WFWP USA: National Prayer Call for Healing and Peace - June 25 @ 1 PM ET

Angelika Selle  
June 24, 2022

Calling on Women of Faith and Women of Peace,

To once again come together in heart and prayer, prayer warfare, to counteract the many visible and invisible enemies and forces of God and goodness and a future world of peace!

Two weeks ago we also prayed for the mothers in Russia, wives and daughters who are losing their husbands, sons, fathers and brothers! The pain is occurring on both sides! President Selle shared a moving story about her visit and reconciliation work in Russia and the US in 2012, which she referred to in a recent greeting message she sent to the WFWP Russian 30th WFWP Anniversary celebration. **(See video below)**

We will continue to pray for all those impacted!

We invite you join us again on the phone conference call line tomorrow **Saturday, June 25, 2022 at 1:00 PM eastern** to put our hearts together and raise our voices in prayer and calling on the Most High and Divine Creator to intervene in all situations of war and violence!

**Dial-in: (605) 313-5384**

**Code: 13 54 80#**

*Please notice, this is a phone conference call!*

## Prayer for the Nation

*Minister Fannie Smith*

Let us pray as we enter into the realm of the most Holy. Father God as we pray for the Nation, let our leaders be people who honor your holy name for it is only from you that they receive True wisdom.

We come to you because the people of this nation and everything in it belongs to you. We are not here by accident!!! Our existence is given to magnify your name, care for others, and to shine a light in dark places. Oh Heavenly Parent, people of this country are turning against each other. Families are cracking, communities are not committed, and childhood is being stolen from our young people.

We come to your throne on bended knees, asking you to heal our hearts, heal our land. Remove the bitterness, and hatred that sometimes seem to come from the very water we drink or air we breathe. Keep our prayer vigils on this call strong, as we pray for leaders around the world. Intercede like at Pentecost, where each nation can understand the tongue spoken by other nations. We believe that you are the true and living God, Let our light shine so that others can see our good works, and be examples. We will continue to worship you in Spirit and in Truth.

In Jesus name we Believe and Pray.  
Amen, Amen.
