PRAYERS FOR PEACE IN EUROPE & THE UNITED STATES

Calling on Women of Faith and Women of Peace,

Happy month of July!

As we celebrate America's Independence Day, we realize that we are by no means free or independent from wars and conflict within and without.

We invite you to once again come together in heart and prayer, prayer warfare, to counteract the many visible and invisible enemies and forces of God and goodness and a future world of peace!

Two weeks ago, we also prayed for the mothers in Russia, wives and daughters who are losing their husbands, sons, fathers and brothers! The pain is occurring on both sides!

We invite you join us again on the phone conference call line tomorrow **Saturday, July 2, 2022 at 1:00 PM eastern** to put our hearts together and raise our voices in prayer and calling on the Most High and Divine Creator to intervene in all situations of war and violence! Let us also pray for harmonious Interdependence among all peoples and all nations!

In God we trust, indeed!

Dial-in: (605) 313-5384

Please notice, this is a phone conference call!

Prayer for the Nation

Minister Fannie Smith

Let us pray as we enter into the realm of the most Holy. Father God as we pray for the Nation, let our leaders be people who honor your holy name for it is only from you that they receive True wisdom.

We come to you because the people of this nation and everything in it belongs to you. We are not here by accident!!! Our existence is given to magnify your name, care for others, and to shine a light in dark places. Oh Heavenly Parent, people of this country are turning against each other. Families are cracking, communities are not committed, and childhood is being stolen from our young people.

We come to your throne on bended knees, asking you to heal our hearts, heal our land. Remove the bitterness, and hatred that sometimes seem to come from the very water we drink or air we breathe. Keep our prayer vigils on this call strong, as we pray for leaders around the world. Intercede like at Pentecost, where each nation can understand the tongue spoken by other nations. We believe that you are the true and living God, Let our light shine so that others can see our good works, and be examples. We will continue to worship you in Spirit and in Truth.

In Jesus name we Believe and Pray.
Amen, Amen.

With love and prayers,
