

## WFWP USA: Thanks for helping Schools of Africa Benefit and Cultural Program

Angelika Selle  
August 12, 2022

Dear,

Thank you so very much for your celebrating with us the Schools of Africa project at the occasion of the 30th anniversary of WFWP and the 25th Anniversary of our NGO in general consultative statutes, the highest NGO status with the ECOSOC at the UN! **With your participation and prayers, we were able to place the spotlight on a very special event to raise funds for the WFWP supported schools.**

We certainly hope you enjoyed the program, **“Shine Africa: The Power of Education.”** It was truly a journey into the history of the Schools of Africa, sharing the advancement of the curriculums, building structural improvements, technology upgrades and more. **The testimonies from three students who spoke of their educational experience and how the schools and teachers have impacted their lives gives evidence of the impact your donations are making.** Our in-person speaker Dr. Ewa I. Ewa, a renowned advisor on Africa Affairs, reiterated the importance of a good education, as he spoke personally about his experience of hardships as a student in Nigeria.

We also hope you got a taste of the Continent of Africa, and feel compelled to continue to invest into these precious schools which, according to Dr. Ewa, bring much hope to Africa's youth and their future. **If you were not able to participate, please visit the link below to donate, watch the program, or purchase items in the [“WFWP Store.”](#)**

**Again, please know that sharing is caring, we hope you will continue to support from a “Mother’s Heart.”**

Sincerely,

Angelika Selle  
WFWP USA President
