Dear friends,

We would like to share with you several exciting upcoming festivities. The WFWPI UN office will be hosting a number of programs and events during this year's Commission on the Status of Women, which will take place from March 13th to the 24th, 2017. All WFWP International related events will take place during the first week of the CSW61 in the New York City area. Please see an outline of these events below. Registration and further details will be forthcoming.

The theme for this year's CSW61 is "*Women's Economic Empowerment in the Changing World of Work.*" For highlights of CSW61 events, click [HERE](#).
