Grow Goodness...Times 2!

Women's Federation for World Peace and YOU

Dear Friend,

Today you have an opportunity to help goodness grow in a big way.

Today only, every dollar you donate to Women's Federation for World Peace can be **doubled!**

A generous donor has pledged to match donations made **today**, Wednesday, Dec. 20th, up to **\$600**. Give \$20 dollars and your donation becomes \$40. Give \$50, and your donation becomes a whopping \$100!

Won't you contribute toward today's goal of \$600 so that \$1,200 can go toward educating and empowering women leaders? Women who impact their communities through service, reconciliation programs, and more.

In 2017 alone, Women's Federation chapters conducted **24** service projects benefitting local and international communities, **13** Bridge of Peace ceremonies, and **10** Leadership of the Heart education events, reaching **over 3,200** women of all ages. Let's keep goodness growing in 2018!

Make your donation go further, and **share** with family and friends that today, they can double their donation!

Many blessings for 2018,
WFWP USA
