The Leadership of the Heart seminars are a series of one-day educational and interactive programs created by Women's Federation for World Peace USA, which are designed to help bring out the powerful leader that is within each person.

On Saturday, July 7th we'll be talking about "Discovering and Empowering the Leader Within" which is part one of the series. This first part focuses on personal leadership, on how the way we think and act as individuals can have a positive impact on creating peace in the world.
