### UN Commission on the Status of Women, 63

Dear Friend,

It has become an important part of WFWP's work to participate in the CSW each year in New York, and we are pleased to begin to share the following registration details and a timetable for the CSW63 with you, as organized by the WFWP International (WFWPI) UN office. Only those who register and pay will be updated with pertinent event information and dates, and will be eligible to be selected to receive one of the limited UN grounds passes.

This week to ten days in New York in March has become a time for WFWP members and leaders to gather and participate in a wide range of activities including CSW, WFWPI's Horizon Summit, and much more!

The 63rd Annual Session of the UN Commission on the Status of Women (CSW63), with the theme, "Social protection systems, access to public services and sustainable infrastructure for gender equality and the empowerment of women and girls," will take place in New York in March 2019.

The WFWPI Orientation will again take place on Sunday, March 9, the eve of the official start of CSW. The 2019 Horizon Summit will take place Saturday, March 16 to Sunday, March 17. We encourage everyone to arrive on Saturday, March 8 and depart on Monday, March 18 in order to attend all of the WFWPI programs. You are welcome to come earlier and stay longer if you choose.

Further information concerning registration, UN grounds passes, etc. will be communicated at a later date.

Thank you for your cooperation and support of this process. We hope to make this an enjoyable and fruitful experience for all participants.

Please see the CSW63 timetable and registration link below.
