**"For it is in giving that we receive." - St. Francis**

Thanks to supporters like you, this year over 3,000 women of all ages were educated and empowered to use their gifts and talents to lead with heart and create a culture of peace. Thousands more were reached through radio and TV programs promoting our motto "Living by the Logic of Love".

Through leadership retreats, seminars, service projects and many more local and national programs, women are gaining the tools they need to take action and build genuine and lasting peace in their families and communities.

## Help Women's Federation for World Peace promote the vision of Leadership of the Heart!

The spirit of giving is in the air, and this year we have a goal to raise **\$20,000** by December 31st. Your support will keep WFWP strong in 2019! Together we can continue to empower women with knowledge, skills, and a supportive community to discover their unique value and create lasting peace.

### Make your tax-deductible donation today!
