2018 is coming to a close, but today you can positively impact the lives of women leaders and their communities!

Just imagine: if **250 people** (a fraction of the number who agree with the WFWP Friends peace pledge) give a gift today of **\$50**, we will reach our giving campaign goal of \$20,000!

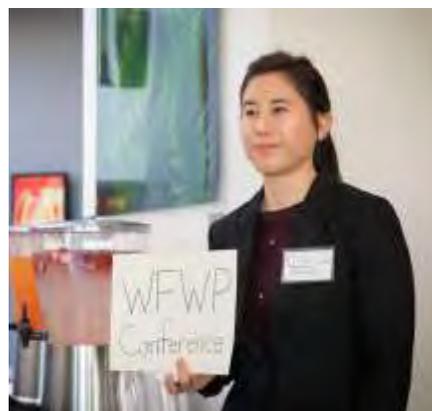

If **200** people give a gift today of **\$50**, we will reach our giving goal for the WFWP Schools of Africa, \$10,000. Click below to give love today and keep our peace programs and African schools strong in 2019:
