True Mother held a Special Audience for Cheon Il Guk Youth Leaders on April 20 at Cheon Jeong Gung, with the participation of more than 1,400 young people, including participants from the Cheon Il Guk Top Gun Seminar, the South American Special Seminar, and the Hyojeong Cheonshim Cheonbo Spirituality Workshop.

On that day, True Mother gratefully received a bouquet of flowers offered with a sincere heart, exhorted those present to fulfill their filial duty as devoted sons and daughters before God, and encouraged them to return to their respective countries determined to achieve explosive growth in membership.

The participants expressed their gratitude and reverence for True Mother's love by singing together the song "Monarch Butterfly" and committed themselves to becoming Pure Waters and practicing God's Will in absolute unity with True Mother.
