16th European 40 Day Jeongseong Condition under the Heavenly Calendar

12.09.03 to 21.10.03 (Friday 26th October to Tuesday 4th December 2012)

The start of a 120 day period culminating on Foundation Day 2013

Letter from President Song to share with all members

Dear European Blessed Families and Members,

I have just arrived in Korea to attend, at True Mother's request and as your representative, the 40 Day Service which concludes the Special Jeongseong Period for our True Father. This will take place tomorrow, 40 days after the Three Day Service in which True Mother delivered her speech to the world-wide membership in the Cheongshim Peace World Centre.

I want to invite you all to express our unity in loving God and True Parents by joining in three 40 day conditions from Friday 26th October. This will make up a 120 day period culminating on Foundation Day on 13.01.04 by the Heavenly Calendar, which will be on the 22nd February 2013.

You are all aware that True Mother, who is now standing as the representative of the Heavenly Trinity (God, True Father and True Mother), and guiding us forward in total oneness with God and our True Father, has expressed that she plans to visit Europe during this period.

Let's all prepare by uniting with her words shared on 23rd September:

Dear members, we will now make our Unification Church a living and breathing church, as it was in the early days. We will develop it into a spontaneous, creative and dynamic church, unrestricted by numbers or systems. We will make it into a church centred on the Principle and on love, which will be a nest, with the warmth of a mother's embrace, that will make us wish to go there and always remain there. As in the beginning time, we will make it so that the sound of Divine Principle lectures is constantly heard in our churches. Please achieve the best results of your life. Foundation Day is not far off now. I ask all of you to please become such people.

Since then she has offered further guidance at the Chuseok celebrations and on her recent visit to Geomundo and Yeosu. Her emphasis remains simple: teaching the Divine Principle without ceasing (with the same heart as President Hyo Won Eu); focusing our energies on witnessing; and the importance of educating of second and third generation such that they become an offering to heaven and participants in the providence to build Cheon Il Guk.

This next 120 days will be a very significant period for all of us to respond to True Mother's heart and to invest into our Blessed Central Family and Tribal Messiah foundation. Please invest your hearts such that you and your children study, teach and testify to God's word and our True Parents. On that foundation we can receive True Mother and bring our witnessing contacts to local Divine Principle and Blessing Preparation Workshops and monthly European Seven Day Workshops to prepare them to receive the Cosmic Blessing on Sunday, 17th February 2013.

Each nation is planning their own Blessing event on that day in conjunction with the Cosmic Blessing in Korea, and each family has the goal to bring three couples to participate from the twelve people they are praying for daily. On that foundation all Blessed Central Families will be reborn through the True Parents of Heaven Earth and Humankind by attending the Foundation Day Blessing in Korea (or at simultaneously events in their nation/community).

Thank you for your devotion to God and True Parents in this precious yet demanding period in which we need to keep our hearts pure and our lives focused. I look forward to meeting many of you personally as I visit many of your communities during this period.

Yours sincerely,

Yong Cheon Song
President Unification Church Europe
