Preparations for the Foundation Day Blessing

Dear National and City Leaders,

In response to requests for clarification and in order to help National and Community Leaders and all Blessed Central Families to prepare for the Foundation Day Blessing we have summarised and simplified the directions received in memos received from Unification Church World Mission Headquarters on 15th November.

Please use the attached explanation copied below which will help to inform your members and to advance your preparations.

National and Community Leaders should make special effort to ensure that all Blessed Central Families are informed and prepared through appropriate personal care and education/guidance.

True Mother is encouraging as many international Blessed Families as possible to attend in Korea.

Further information regarding attending in Korea will be distributed as soon as it is made available.

Please be aware that as the Special Offering (minimum amount) has been reduced (see below – now 130,000Won = \$120) there will need to be a fee to cover costs of accommodation and participation for those attending in Korea.

Thank you for your sincere devotion.

Yours sincerely,

Tim Miller and Peter Staudinger

Registration and Qualifications for participating in the Foundation Day Blessing Ceremony

1. 120 Day Jeongseong Condition

- Daily Hoon Dok Hwe (30 minutes+) and
- 120 gyeongbae (an alternative condition can be agreed with your National or Community Leader –e.g. 120 standing bows or breakfast fast or 21 minute prayer condition)
- **If you have not already begun this condition you should begin no later than 5th December (the start of the next European 40 Day Jeongseong Condition)** and continue for 120 days even though this will extend 40 days beyond Foundation Day.

2. Complete the Foundation Day Special Offering

We are expecting a memo to come from Unification Church World Mission Headquarters which will revise the amount and confirm the deadline for making this donation.

This revision will set the minimum donation at 130,000 Won, which is about \$120.

Blessed Families who can may offer more (e.g. \$13,000 or \$1,300) as already indicated in the earlier memo. This level of donation should enable all Blessed Families to participate.

Your National HQ (or Community Leader) must provide a receipt to confirm that the donation has been received. (See the attached example)

3. Complete the Divine Principle Workshop for Foundation Day Blessing Candidates

This qualification can be met by:

- a. Having already attended an Original Substance of Divine Principle Workshop (minimum length 4 days or two weekends). You should already have a certificate for such workshops which have been taught in Europe since January 2010.
- b. Attending a 2 or 3 Day or 7 Evening Divine Principle Workshop for Candidates for the Foundation Day Blessing organised by your National HQ or Community Leader. This should consist of at least 12 lectures which cover Part1 and Part 2 of the Divine Principle. (It is good to base the content on the lectures of Rev. Jeong Ok Yoo ([link to website](#)) – or Rev. Ken Sudo ([link to website](#)), or Rainer Fuchs ([link to website](#)))
National HQs should prepare a certificate to award to those who attend this workshop signed by the National Leader (see attached example).
- c. Attend a European 7 Day Workshop (2-8 December 2012 or 30 December to 5 January 2013) in Livingstone House, London ([see link](#)), or have attended such a workshop in the last 18 months.
- d. It is strongly recommended that members, who did not already do so, view the special lectures of Prof. Yong Taek Oh ([link to website](#)) or Rev. Jin Hun Yong ([link to website](#)) – **particularly those parts which explain about the significance of Foundation Day** . This content could also be included in the Divine Principle Workshop mentioned above or could be used for Hoon Dok Hwe study.

4. Completing the Foundation Day Blessing Ceremony Application Form at your Local Church Community before the 3rd February 2013

(A copy should be kept as a record and a list of those who have applied sent to National HQ)
See the attached form

Registration should be concluded by 3rd February 2013 and a list of registered participants passed to each National HQ and on to European HQ.
