Starts an 80 day period culminating on Foundation Day 2013

All must start their 120 Day condition for Foundation Day on 5th December at latest
Letter from President Song to share with all members

Dear European Blessed Families and Members,

Thank you all for your dedication and heart to renew yourselves in spirit and truth during this special 120 day period leading up to Foundation Day. Just as True Father has made a new start in the Spirit World so True Mother is calling us all to make a new start in our commitment as we prepare to be reborn through the Foundation Day Blessing on the 13th Day of the 1st month of the 4th year by the Heavenly Calendar.

During this period it is very important to establish the pattern of daily Hoon Dok Hwe in each of our families and to ensure that all of us are offering the necessary 120 day condition to prepare for Foundation Day (see below). Many of you will also be attending the Divine Principle workshops that True Mother asked us to participate in as a condition to attend the Foundation Day Blessing. I would suggest that all nations, communities and families also study the explanations about Foundation recently shared by Professor Oh and Rev. Yong during their visits to Europe. These lectures are available to all on the European Website and also each national and community leader will be helping you to receive the essence of this precious content.

As you know one other very important way to prepare for Foundation Day is by supporting each other to progress our Tribal Messiah foundation. Please take time to care for and add to your prayer list of potential spiritual children from amongst your relatives, friends and neighbours and make effort to prepare couples to receive the Cosmic Blessing before Foundation Day. Again your National and Community Leaders will be helping to educate, prepare and invite your guests for that event locally or nationally.

True Mother has already given the Holy Wine for Foundation Day which will carry with it special grace and forgiveness as we are reborn through the True Parents of Heaven and Earth and Humankind on Foundation Day. As you know Foundation Day will be the 'Origin Day' for Cheon Il Guk, the day we are reborn as direct children of our True Parents who are standing as the completed God of Day to the God of Night (Heavenly Father) and finally fulfilling the responsibility of Adam and Eve – such that God can have his 'Holy Marriage' and 'Coronation' and we can all be registered as citizens of Cheon Il Guk. The grace of this Foundation Day is beyond valuation.

True Mother is asking as many Blessed Families as possible to attend the Foundation Day Blessing in Korea. Please do your best to attend, even one family member can go as a representative if you cannot all attend in Korea - of course there will also be a connection by webcast to ceremonies held in all nations throughout Europe for those who cannot travel to Korea.

Thank you for your devotion to God and True Parents in this precious period of preparation in which we purify our hearts and focus our lives in light of the Divine Principle and True Father's words.

Yours sincerely,
Yong Cheon Song
President Unification Church, Europe

Conditional Offering 17th European Jeongseong Condition

Part of the 120 day period to prepare for Foundation Day

22.10.03 to 03.12.03 (Wednesday 5th December to Sunday 13th January 2013)

Daily prayer

Begin your morning devotions by mentioning the Heavenly Calendar date, offering Kyongbae to Cheonji-in Chambumonim, reciting Family Pledge and the Lisbon Resolution.

Prayer Points

- To prepare to receive rebirth and registration as citizens of Cheon Il Guk on Foundation Day
- To support the Victory, Liberation and Completion of the True Parents of Heaven, Earth and Humankind through our life or death determination
- To actively support daily witnessing and teaching of the Divine Principle in my community
- To pray for 12 people to whom I am witnessing and bring three couples to the Cosmic Blessing on 08.01.04 (Sunday 17th February 2012 or other nationally/locally arranged dates)

120 Day Jeongseong Condition to Prepare for Foundation Day

- Daily Hoon Dok Hwe (30 minutes+) and
- 120 gyeongbae (an alternative condition can be agreed with your National or Community Leader e.g. 120 standing bows or breakfast fast or 21 minute prayer condition)
- **If you have not already begun this condition you should begin no later than 5th December** and continue for 120 days even though this will extend 40 days beyond Foundation Day.

Complete the Foundation Day Special Offering

The True Parents of Heaven, Earth and Humankind have explained that in order for Blessed Families to register for Foundation Day and participate in the Blessing Ceremony, they must convert (restore) the right of ownership (to God), and that we should establish the condition of making a special monetary offering.

The official memo number 2012-140 indicated the standard of offering as being US \$13,000.

However, on 10.5 by the heavenly calendar, True Parents decided that as the "Foundation Day Special Gratitude Offering" incorporates the providential meaning of the number 13, the amount should be at least 130,000 won or \$130. This is the limitless love and grace of the True Parents of Heaven, Earth and Humankind in order that all existing Unification Church families, who have received the Blessing through True Parents' prayer of benediction, can be present at the Foundation Day Blessing Ceremony without one family missing.

Those Blessed Families who are able to may offer \$13,000 or \$1,300 according to their ability.

Complete the Divine Principle Workshop for Foundation Day Blessing Candidates

This qualification can be met by:

- a. Having already attended an Original Substance of Divine Principle (ODP) Workshop (minimum length 4 days or two weekends). You should already have a certificate for such workshops which have been taught in Europe since January 2010.
- b. Attending a 2 or 3 Day or 7 Evening Divine Principle Workshop for Candidates for the Foundation Day Blessing organised by your National HQ or Community Leader. This should consist of at least 12 lectures which cover Part 1 and Part 2 of the Divine Principle. (It is good to base the content on the lectures of Rev. Jeong Ok Yoo ([link to website](#)), or Rainer Fuchs ([link to website](#)). National HQs should prepare a certificate to award to those who attend this workshop signed by the National Leader (see attached example).
- c. Attend a European 7 Day Workshop (2-8 December 2012 or 30 December to 5 January 2013) in Livingstone House, London ([see link](#)), or have attended such a workshop in the last 18 months.

- d. It is strongly recommended that members, who did not already do so, also view the special lectures of Prof. Yong Taek Oh ([link to website](#)) or Rev. Jin Hun Yong ([link to website](#)) – **particularly those parts which explain about the significance of Foundation Day**. This content could also be included in the Divine Principle Workshop mentioned above or could be used for Hoon Dok Hwe study.
