

**Please send 2014 goals to Pastor Team by February 1st**

Dear New Hope Family,

I may have been a pastor for several months, but I still do not know what each of your passions are, what sort of responsibility/public mission that God has called you to do. I know most if not all of us are doing something amazing. I believe now is the time to put our energies together to make a larger impact as a whole. As in 1 Corinthians 12:45:

*There are different kinds of gifts, but the same Spirit. There are different kinds of service, but the same Lord.*

**I'm writing this to urge every member of our New Hope Family Church to share with me (or any one of us on the ministry team) what your calling is.** I can't wait to hear from each of you! Of course feel free to tell the world too!

Additionally, **we are also urging everyone to send us at least one way you plan to serve the public mission in 2014.** This may or may not have to do with your calling.

I will read and track the responses. If need be, take the entire month of January to pray and discuss this. We ask at the very latest you submit "your plan" by Feb 1st. Please consult trusted friends or call me, Jim Boothby, Gregg or Kyoho Jones if you want to discuss. Take time to really pray about your specific, public work accountability to God for this year.

**Please take time to pray, research the word, consider, talk, and think. Then fill out the simple table below and send it back to me by replying to this email.** We will also be passing out paper copies in church. In case you're wondering how on Earth I plan to organize hundreds of responses, Ryusung, my assistant, will help make it happen. Time permitting, the Pastor Team and I would love to meet each congregant who would like to personally to discuss his or her plan.

Again, it is with my utmost sincerity that absolutely everyone contribute this special declaration.

God bless and Happy New Year to you and your family!

Looking forward to an awesome 2014!

Pastor Miilhan, Jim, Gregg and Kyoho.
