

## Belvedere Family Church: Invitation to Famicon 2019 / My Tribe

Demian Dunkley and Miilhan Stephens  
February 27, 2019

Dear Leaders,

We would like to invite you to this year's leaders assembly, Famicon 2019. After much reflection and discussion with Dr. Kim and the other four subregional directors, we agreed that it would be a big step forward for America to conduct this year's national leadership meeting simultaneously in all five subregions. There is value in coming together in one place such as IPEC, however we are only able to gather around 150 leaders from around the nation. This year we believe we will reach up to 500 or more district and local leaders, including pastors, ministry leaders, youth leaders, tribal messiahs, affiliate coordinators and so forth.

Not only will we be able to reach more people in a short amount of time, but we feel this is desperately needed in order to more firmly establish our sense of responsibility at the subregional level. In December 2017 True Mother asked us to consider each subregion as a nation. That means that our team together is not only responsible, but capable of bringing about national restoration at the subregional level. In fact, we can even consider each state within the subregion as a nation, and bring victory at the state level.

With only one year to go until 2020, it is imperative that we focus on the key ingredients of success in order to lay the foundation for victory. Although each of us is at a different stage in terms of our own personal Tribal Messiahship activity, we believe that coming together for these three days and making sure that we are all on the same page with regard to the mindset and the vision for this final year is crucial.

I am asking that all leaders who hold official positions, either full time or part time, whether pastoral, ministry leaders, youth leaders, affiliate leaders, Tribal Messiahs and elders of the community, to attend the full program from Friday afternoon until Sunday afternoon. We have many things to prepare in a short amount of time. Please register now so we can prepare for your arrival.
