MAKE AN INVESTMENT INTO YOUR SUCCESS!

It is your God-given right to be rich!

For too long there has been a disconnect between living an internal virtuous life and being externally successful. In fact, to be truly happy, we need to be successful in **ALL** areas of our life.

As someone with a Unificationist background, you probably already have a pretty strong set of moral values: you love your family, you want to make the world better. Now you deserve to be rich. Driven 2020 is the conference to prove you can have your cake and eat it too! In fact it is when we are abundant and successful in every area of our life that we can find the deepest happiness and contribute our best to the world.

We're going **against the mold**, breaking old concepts, and teaching each other how to be rich – both inside and out.

Come to Driven 2020 to meet professionals who share your background, to network and advance your career, and to learn from successful Unificationists who are experts in their fields and eager to share their secrets to success.

Whether you're already established in your career, or just getting started, the Driven Conference is the place to be to manifest greater success.
