

## Manhattan Family Church: Letter from the Pastor: Praying for Ukraine and Russia

Miilhan Stephens  
February 28, 2022

Dear brothers and sisters,

On February 23, 2022, the world heard the news of the invasion in Ukraine. We continue to closely monitor the situation there and hear updates from our members in the areas affected.

As HPHC Manhattan we are praying for our brothers and sisters in Ukraine. We cannot even fathom the spiritual, emotional, and physical pain that this has caused them and our Heavenly Parent. We also pray for our Russian brothers and sisters, many of which we know are in disbelief of what is taking place.

In light of this, we wish to share a few ways you can offer your support.

First of all, we are a community that believes in prayer. Prayer does not just change things but changes minds, hearts, spirits, and moves heaven in a mighty way. Therefore we encourage you to join in the international prayer call led by our European brothers and sisters that is taking place at 3:00 AM EST every morning. You can join it here: [zoom.us/j/478639638](https://zoom.us/j/478639638), or live on Facebook at [www.facebook.com/ffwpueurope](https://www.facebook.com/ffwpueurope).

You can also join our Manhattan Morning Devotion LITE at 7:30 AM EST every morning where we are also praying together.

We are also a community that believes in mission. It is through substantial action and efforts that we can realize substantial change in Manhattan, America, and at this time, in Russia and Ukraine. Therefore, we encourage you to please donate to support our Ukrainian brothers and sisters here: [givesendgo.com/G2U1G?utm\\_source=sharelink and utm\\_medium=copy\\_link and utm\\_campaign=G2U1G](https://givesendgo.com/G2U1G?utm_source=sharelink&utm_medium=copy_link&utm_campaign=G2U1G)

Let us come together and show that we are one family under God, our Heavenly Parent. Now, more than ever before, let us heed the words of our True Mother on February 13, 2022: "A world of true peace, freedom, equality, unity, and happiness, wherein humankind lives as one family centered on God, is only possible if the Korean people and other nations attend God as their parent." Let us attend God, let us turn to Heaven, in prayer and in mission, for the sake of the world and our brothers and sisters.

Sincerely,

Rev. Miilhan Stephens

# Support Our Ukrainian Family

Campaign Created by: Claude Aubert

The funds from this campaign will be received by Claude Aubert.

Our Ukrainian brothers and sisters need our support! Because of the threat of war in Ukraine, young members and a majority of blessed families living in Kyiv (capital of Ukraine) left the city in mid-February to find refuge in safer locations. Some are in Poland; some are close to the Polish border, as in a village near Lviv.

Our brothers and sisters need our help. They departed Kyiv in a hurry, taking almost nothing with them. Now they face the humblest living conditions. It is unclear when and whether they can return to Kyiv.

As a former missionary to Ukraine (1991-1993), I have stayed in touch with many Ukrainian brothers and sisters. I have received a request for help from one leader whom I know well from my missionary time and trust completely. She is a wonderful Russian sister, her husband is Ukrainian, and together they have three children. Her fervent desire is to take care of all Ukrainian brothers and sisters.

Please consider donating if you can.  
Thank you for your generosity!
