Miilhan Stephens
May 9, 2022

Dear Brothers and Sisters of New York, District 2:

This is a reminder that we are strongly encouraging everyone to participate in our upcoming 3 week witnessing campaign titled "NYC New Life Witnessing Experience", led by our District and Manhattan Pastor, Rev. Miilhan Stephens along with our Manhattan Pastoral Team. As a District, we would like for all of us to come and work together to respond to True Mother's call to create more citizens of "Cheon Il Guk" through witnessing. We know that giving birth to spiritual children is no easy task. But as the saying goes, it takes a village to raise a child; therefore, as a community, united in our witnessing spirit, we want to offer these three weeks of substantial training and orientation to witnessing! Let's do this!

Here is the following schedule that will occur in

the next three weeks

Date/Time:

- After Service... 11:30 - 2:00 PM
- May 15th, 22nd, and 29th

For all who register, we highly encourage that you adjust your schedules to free up your Sundays so you can attend all 3 weeks!

True Mother's words to Cheon Il Guk Leaders April 2022: "We should be able to successfully carry out witnessing. Witnessing! We have to save the people... We must witness to lots of members. National restoration can only take place when there are many Cheon Il Guk Citizens. Living in a golden time that won't last long, shouldn't we joyfully attend and serve our Heavenly Parent? Do you agree or disagree? If you all agree, then I hope you all do your best. Hold on really hard so that miracles can happen."

As NYC we want to respond to Mother's heartfelt, desperate desire to realize more "Citizens of Cheon Il Guk." However, we know that giving birth to spiritual children is no easy task. But as the saying goes, it takes a village to raise a child; therefore, as a community, united in our witnessing spirit, we want to offer these three weeks of substantial training and orientation to witnessing!
