Hello Family,

HQ has given guidelines for some ways we can directly support God's Providence. These are not the only ways, but they are things we can measure and clearly offer. They are organized by the main goals of True Mother:

1. Our own life of faith and connection with God and True Parents
2. Witnessing and Tribal Messiahship
3. Witnessing Environment - creating a heavenly environment that supports true families and the next generation
4. Raising up Youth Leaders for the future

Please let me know if you have accomplished or are doing any of the goals below - in particular:

- Read all 4 books of True Mothers Anthology (our goal is to have everyone complete them by Dec 28. Godible.com can help - you can listen or read a section every day on your computer or phone)
- Committed to donate to National Victory Fund (\$5,000 total donation by Dec 2020 to support US activities and other nations)
- Are confident to teach Divine Principle
- Subscribed to TribeNet Premium - [tribenet.co/](http://tribenet.co/)
- Accomplished 430 couple Blessing
- Number and name of others churches you visit (Bible study, Sunday Service, events etc)
- Names of Ministers and high level influencers you have Blessed

Please also report any other activities you are doing that you feel are contributing to God's Providence - even if they don't fit into a category. By reporting we are making it a clear offering to God.

Thank you!
