Bay Area Family Church Character Education and Service Learning Workshop

Kevin Thompson January 13, 2023

Brothers and Sisters,

The Principled Academy Institute and the Center for Leadership and Character Education will host a zoom meeting workshop on Saturday, January 14th from 10:00 am to 12:30 pm. The workshop will highlight effective practices in character education and service learning, both in the US and internationally, with a focus on initiatives in Central America. Mrs. Barbara Erlington will discuss the recent character education workshop in Belize and plans for the implementation of the program as well as a proposal that was made to the department of national teacher's training with the Ministry of Education in Belize.

Mario and Nurlyn Salinas, Carol Pobanz, and Mika Deshotel will also highlight a character education workshop in Tela, Honduras, as well as a service learning and peace park project in the region. Isaac Durst will discuss the development of online resources of character educational materials at the Principled Academy Institute.

Mrs. Poppy Richie and Alan Saunders will give an overview of the character education initiative and highlight resources and websites that will be useful for teachers, educators, youth and community leaders, and parents.
