Dear family,

Greetings to you all. Hope that you are coming closer to our Heavenly Parent day by day. Let's continue praying for those who have health issues or other challenges.

Friday is True Parents' holy birthday. Father is 103 and Mother is 80 years old. We should celebrate True Parents' birth more than Christians celebrate Jesus' birth. Please take time to thank God for sending True Parents.

Our national church made two very important appointments recently. Luke Higuchi was appointed to be head of KODAN and Kaeleigh Moffit was appointed head of WFWP. We wish them great success and will support them to be successful in their important missions.

God Bless you.
