I Have Called Upon You

Mother Moon's Full Keynote Address at the 4th Rally of Hope

Dr. Moon delivering her message to millions online last Saturday FFWPU-USA

Dr. Hak Ja Han Moon, affectionately known as the Mother of Peace, virtually delivered this message on December 5, 2020, at the Rally of Hope to Celebrate the 1st Anniversary of the World Christian Leadership Conference for the Realization of a Heavenly Unified World.

My heartfelt greetings to all members of the clergy from around the world and members of the American clergy with ACLC as we celebrate the first anniversary of the founding of WCLC.

Today, we stand at a point where we must know the truth of God's dispensation and providence and usher in a new era. Just as it is said in the Bible, new wine must be put into new wineskins.

Today, the world is facing indescribable problems, and as the coronavirus continues to spread, we face a situation where face-to-face communications are severely restricted. Even so, God's hope and humanity's hope is to see a unified world.

One United Heart

The audience was completely virtual for this past weekend's events FFWPU-USA

Dr. Hak Ja Han Moon, the Mother of Peace, called on all faith leaders and believers worldwide to unite and heal the world during two major virtual events this past weekend.

Dr. Moon was joined by esteemed global faith leaders for the 1st anniversary of the World Christian Leadership Conference (WCLC) convocation on December 4 and 5, followed by the fourth WCLC Rally of Hope. Hundreds of thousands of people from around the world participated in the live events streamed online by the Universal Peace Federation (UPF), co-founded by Dr. Moon and her late husband Rev. Dr. Sun Myung Moon.

"I have called upon you to become the righteous people of this time," said Dr. Moon during her special keynote message from the International Peace Education Center (IPEC) in Las Vegas. "Our Creator wanted to realize His dream on earth together with humankind; therefore, He gave human beings a responsibility. He wanted them to grow their hearts well and perfect their love, then live together with Him, their Creator."
