Twenty-six years ago, on January 19, 1995, the late Rev. Dr. Sun Myung Moon and Dr. Hak Ja Han Moon, co-founders of Family Federation for World Peace and Unification (FFWPU), began the Chung Pyung Providence.

Centered on the Spirit World Ministry of Dr. Moon's late mother, Soon Ae Hong (also known as Dae Mo Nim or "Great Mother"), the providence commenced a new era of spiritual liberation and healing.

Hundreds of workshops have since been held at the Chung Pyung Heaven and Earth Training Center, once a large swath of rural land in Korea purchased in the late 1960s. Unificationists completed construction of the original service hall under Rev. Moon's guidance in 1971, and expanded the grounds toward western mountainsides and other locales surrounding Chung Pyung Lake.

The property is currently the spiritual center of the Unification movement and also serves as a holy ground.
