

## **Second CheonBo Registration Ceremony will be on October 10, 2021**

Dear Brothers and Sisters,

Thank you all for the incredible investment for Heavenly Parent and True Parents. We know each of you are striving to respond to True Mother's call. As you know, last October, North America had 308 families registered as CheonBo couples with many other couples worldwide. That was a victorious moment that True Mother offered to Heavenly Parent. At that time, the next CheonBo Registration Ceremony was planned to take place in 2027, at the conclusion of the second 7-year course.

But we have exciting news! On the victory in the 8th year of Cheon Il Guk, True Parents have decided to hold the second CheonBo Registration Ceremony for CheonBo couples this year, on October 10, 2021.

We are excited to work together with our North American HTM to participate in this year's CheonBo Registration Ceremony. The main requirements haven't changed and our team is ready to support you on your journey to become a CheonBo couple. However, there are some new updates to keep in mind.

### **1. All CheonBo Registrants are encouraged to participate in the CheonShimWon Special Grace**

True Parents said that in order to participate in the 2nd CheonBo Registration Ceremony, all blessed couples should inherit the grace of CheonShimWon through the "CheonShimWon Special Prayer Hall Ceremony to Bequeath Grace."

Through the restructuring of the Cheon Il Guk organization, True Parents blessed the CheonShimWon prayer hall to be the global headquarters for jeongseong. Inheriting this grace of CheonShimWon will require us to return to being blessed couples with hearts that are pure like those of children.

To do so, blessed couples around the world should offer a 21-day jeongseong condition, and they should register for and attend the Hyojeong CheonBo Special Great Works, which will be held four times during this year.

Through the CheonShimWon Special Prayer Hall Ceremony to Bequeath Grace, blessed families of the world are to inherit:

- 1) Portrait of True Parents at CheonShimWon,
- 2) Portraits of Hyo-jin nim, Heung-jin nim, and Daemo nim,
- 3) Eight holy candles, and
- 4) The Hyojeongwon.

### **2. A new option for completing your horizontal tribe has been approved**

True Parents have granted permission to approve the Blessing of 43 new couples (Blessing of single candidates) as equivalent to completing the Blessing of 430 married couples.

The standards for the "Blessing of single candidates" is as follows: when a blessed couple successfully brings 43 new couples to the blessing either from among second or third generation Blessed Children, active or inactive, or through successfully witnessing to single people, the results will be recognized as being the equivalent to the Blessing of 430 couples horizontally.

For more information on single candidate blessings, please contact us at [evangelism@unification.org](mailto:evangelism@unification.org)

These two updates are additional to the previous process. For further information on applying for the CheonBo won, please visit the website: [TribeNet.co](http://TribeNet.co) and contact your local HTM Coordinator or email us at [evangelism@unification.org](mailto:evangelism@unification.org)

Attached are the two recent international memos regarding the updates and reiterating the requirements. As of now, we are not aware of additional donations or requirements for registrations. However, the process will likely continue to be revised, and we do anticipate further clarifications. As always, we will continue to keep you updated on any developments.

God Bless you, your family, and your tribe,

Rev. Naokimi Ushiroda  
President

**Re. : True Parents' Special Directives on the First Day of the 9<sup>th</sup> Year of Cheon Il Guk**

May Heavenly Parent and True Parents' love and blessings be with you all.

On the foundation of the victorious First Seven-Year Cosmic Canaan Course for the Firm Establishment of Cheon Il Guk centered on the True Parents of Heaven, Earth, and Humankind, our entire movement around the world is now pursuing the Second Seven-Year Cosmic Canaan Course for the Realization of a Heavenly Unified World, which ends in 2027, the year we celebrate the 60<sup>th</sup> Heavenly Parent's Day.

After True Parents successfully dedicated their Centenary and 60<sup>th</sup> Holy Wedding Anniversary, together with the 8<sup>th</sup> Anniversary of True Father's Holy Ascension, they bestowed on us the tremendous blessing and grace of being registered as CheonBo couples, the treasures of Heavenly Parent, through the CheonBo Registration Ceremony at the CheonBo Grand Festival and 2020 Special Blessing Ceremony.

True Parents had mentioned that the next CheonBo Registration Ceremony would be hosted in 2027 at the conclusion of the Second Seven-Year Cosmic Canaan Course. However, upon gaining victory in the 8<sup>th</sup> year of Cheon Il Guk, the first year of the Second Seven-Year course following the proclamation of the firm establishment of Cheon Il Guk, through three great miracles, True Parents have decided to hold the 2<sup>nd</sup> CheonBo Registration Ceremony of CheonBo couples on October 10 this year—and are announcing this at the time of the celebration of True Parents' Birthday and the 8<sup>th</sup> Anniversary of Foundation Day. We ask for the enthusiastic and sincere participation of blessed couples around the world in the course to become CheonBo couples—the treasures of Heaven—and ultimately in attending the coming CheonBo Registration Ceremony.

Furthermore, True Parents have granted permission to approve the Blessing of 43 new couples (Blessing of single candidates) as equivalent to completing the Blessing of 430 married couples. When a blessed couple successfully blesses 43 new couples either from among second or third-generation young adults, or older candidates, inactive single members of our second and third generation, or through successfully witnessing to new young people, the results will be recognized as being the equivalent to the Blessing of 430 couples horizontally. All blessed families are therefore encouraged to complete all the conditions to become CheonBo couples.

Through the restructuring of the Cheon Il Guk organization, True Parents blessed CheonShimWon prayer hall to be the global headquarters for *jeongseong* (prayer and setting conditions). True Parents said that in order to participate in the 2nd CheonBo Registration Ceremony to be held in the 9th year of Cheon Il Guk, all blessed couples should inherit the grace of CheonShimWon through the “CheonShimWon Special Prayer Hall Ceremony to Bequeath Grace.” Inheriting this grace of CheonShimWon will require us to return to being blessed couples with hearts that are pure like those of children. To do so, blessed couples around the world should offer a 21-day *jeongseong* condition, and they should register for and attend the Hyojeong CheonBo Special Great Works, which will be held four times during this 9th year of Cheon Il Guk.

Through the CheonShimWon Special Prayer Hall Ceremony to Bequeath Grace, blessed families of the world are to inherit 1) the portrait photograph of True Parents at CheonShimWon, 2) the portrait photographs of Hyo-jin nim, Heung-jin nim, and Daemo nim, 3) eight holy candles and 4) the Hyojeongwon.

Following is a summary of the special directives True Parents gave on the first day of the 9th year of Cheon Il Guk. Regional and national leadership are asked to convey these guidelines and encourage all blessed families around the world to fulfill them.
