

100 Days to the Blessing Festival with True Mother

Dear Family,

Today, March 19, is exactly 100 days before we welcome True Mother in America again. Amidst all the trials that America is facing, we are planning to hold a beautiful Blessing Festival to celebrate and share the value of the Blessing to heal our marriages and strengthen our nation.

Most of the details are still being developed, and we are working on an online follow up plan to be able to share the Blessing with our guests and friends more effectively. But we didn't want to miss the opportunity to mark 100 days before the main event on June 26.

We created a save the date registration, blessingfest.org, and we ask our Blessed families to be the first to register as soon as possible.

Let's make the next 100 days a resounding success in both internal and external preparation. Let's be sure to register ourselves first, be sure to pray regularly, and plan how we can bring our tribes and our online holy communities' members to meet True Mother in June.

Also, next week on March 26, True Mother will greet young people from around the world who will pledge their commitment to the Blessing. You can get more information and register for this event at hifestival.us. And in April, True Mother will officiate the Hyojeong Blessing coinciding with the Holy Wedding Anniversary.

I know everyone is eager for materials to share, but while these are being prepared, make sure to save the date at blessingfest.org, and stay tuned for more details. We will be sure to update everyone regularly.

God Bless you,

Naokimi Ushiroda
