Dearest Brothers and Sisters,

Thank you for your efforts to respond to Heavenly Parent and True Parents' call to become Heavenly Tribal Messiahs, and thank you for your sincere hearts in preparing for the 2021 CheonBo Won Induction.

As you may know, under the guidance of True Parents and Dr. Chung Sik Yong, we have started to focus our Tribal Messiahship efforts on our core 43 couples to encourage substantial tribal messiahship. Therefore, our standards for North American Tribal Messiahship in regards to the horizontal 430 will be adjusting as well.

For the past several years, our standards have been as follows:

- Up to 50% of one's Horizontal 430 can consist of Overseas Blessings
- Up to 30% of one's Horizontal 430 can consist of Sponsored Blessings
- Up to 185 of one's Horizontal 430 can consist of Blessings completed during the 90s Blessing Campaign
- Up to 380 of one's Horizontal 430 can consist of Blessings inherited from Spiritual Children

These standards were put into place to honor all the conditions our families have made toward their Tribal Messiahship over the years. However, after the 2021 CheonBo Induction on October 10, the North American Tribal Messiahship Standards will be revised to the following:

We should focus our Horizontal 430 on Blessings in North America. However:

Up to 50% of one's Horizontal 430 can still consist of Overseas Blessings under the following conditions:

The Overseas Blessings were conducted before October 10, 2021

The Overseas Blessings were conducted in one's Birth or Mission country

Up to 30% of one's Horizontal 430 can still consist of Sponsored Blessings conducted before October 10, 2021

Up to 185 of one's Horizontal 430 can consist of Blessings completed during the 90s Blessing Campaign

Up to 380 of one's Horizontal 430 can consist of Blessings inherited from Spiritual Children

With these revisions, we are working to transition from conditional tribes to substantial tribes in line with True Parents' original ideal. Therefore, if you would like to utilize the options of Overseas and Sponsored Blessings, please do so before October 10, 2021.

We are committed to helping each family enter into the CheonBo Won. As there are a wide variety of cases and it is a complex process, we are fully invested in making this journey as simple as possible.
