

FFWPU USA: 40 Days to Welcome True Mother - How You Can Participate

Dear Brothers and Sisters,

As you know, we are preparing to welcome True Mother with a special Peace and Blessing event on June 5.

We are excited to welcome True Mother back in America. Though the event itself is virtual, every visit from True Mother to America symbolizes a providential milestone. This time, we will be celebrating the re-launch of the Blessing America movement centered on the clergy couples who completed the 40-day and 3-day ceremony, as well as the newly developing Online Holy Communities and the Ethnic Ministry.

All our subregions and providential organizations will be joining together to support this occasion. In order to best prepare to welcome True Mother, we would like to invite you to join in a 40-day condition from April 27 to June 5.

So here is how each of us can participate:

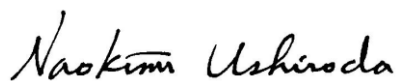

1. Offer devotion. Let's pray for True Mother's safety and wellbeing, for our [North American goals](#), and for the success of the June 5 event. Also, let's make every effort to participate in our daily [Morning Devotion](#) either live or via recording.
2. Take Action: Register and Outreach. Please register yourself and your family today at peacestartswithme.com. Then invite your friends, extended family, and members of your Holy Community and tribe to register as well.
3. Contribute. We ask that you consider a \$300 donation per family to support this national offering. As always, any contribution you prayerfully offer is greatly appreciated. You can donate [online here](#).

This is an exciting time. Our True Mother is standing strong and resolute to guide us through the crises still plaguing the world. She is determined to offer Heavenly Parent and True Father a substantial Heavenly Unified World. Let us do our part to join this work and reignite a fervor for God in North America through the Marriage Blessing.

God Bless You!
