NEW YORK, May 7, 2021 /PRNewswire/ -- As the world begins easing out of the most stressful time of our lives, Family Federation for World Peace and Unification USA invites you to join us for the Peace Starts With Me: Peace and Blessing virtual celebration June 5, 2021 at 6:00 p.m. Eastern Daylight Time. Let the Blessing revive your life, your family, and the world.

Experience the grandeur of a stadium show from the comfort of your home. Featuring performances by Grammy award-winning talent including Gospel star Hezekiah Walker, Yolanda Adams, Israel Houghton, Joann Rosario Condrey, The Soul Children of Chicago and Kim Burrell. With words of inspiration from Bishop Noel Jones of the City of Refuge Church and The Mother of Peace, Dr. Hak Ja Han Moon.

The Marriage Blessing is a worldwide tradition where couples dedicate, or re-dedicate, their marriage to a greater purpose and God. In response to the breakdown of traditional marriage, the Marriage Blessing offers a way to build a world of stronger marriages and healthier families. Rededicate, celebrate and receive the anointing of God upon your couple and family.

The Peace Starts With Me rallies gather thousands of people from a wide variety of national, racial, and religious backgrounds to stand united for peace.

Co-sponsored by Family Federation for World Peace and Unification (FFWPU) and the American Clergy Leadership Conference (ACLC), the Peace Starts With Me rallies have been an enormous success since their inception in 2017 at Madison Square Garden featuring Hezekiah Walker. The second stop on the tour was Nassau Coliseum in Long Island, New York with Grammy award winner Yolanda Adams and Citizen Way. The third stop was in Los Angeles at the City of Refuge mega church home of Bishop Noel Jones, and in June 2019 the Peace Starts with Me Rally took MGM Grand in Las Vegas by storm. Newark saw the fourth stop, with a stellar performance by vocal legend Dionne Warwick. 2020 brought the rally stadium experience to the small screen, connecting hundreds of thousands more together in a time of isolation. At every Rally, the thousands in attendance were treated to a keynote address by the Mother of Peace, Dr. Hak Ja Han Moon.
