*(initial invite by Jennifer Pierce, SR5 Secretary-General)*

Our national leadership have called us to action centered upon our National Goals. President Naokimi has presented a simplification of our national goals down to five goals to focus on for the remainder of 2021 year. These goals will be North America's offering to True Mother when she comes in December.

I would like to encourage everyone to watch this 24 minute presentation from President Naokimi about these goals. [Watch here](#) (passcode: Leadersmeet9.7.21, explanation begins at 13:51). Please find the time to watch before next Tuesday.

Then, on Tuesday, September 28, at 6 PM Pacific Time/9 PM Eastern Time, SR5 will be hosting a meeting with President Naokimi to hear about the goals for SR5, how each of us can get involved, and to address any questions or concerns everyone has. The plan is that each one of us can find our place of offering within one primary area of these goals and then collectively we can make a beautiful and powerful offering to God in 2021.

This is our game plan for victory in the next three months, and you are all invited to be there.
