COR is back! After a long hiatus we are excited to announce that the COR Drive Retreat is taking place IN PERSON this June. Let's end our pandemic stagnation and start driving forward at this year's COR "Drive" Retreat. During this weekend we will take time to:

- **Connect** in person with old friends and new
- **Reflect** on what matters most in our lives
- Get out of survival mode and start to **thrive**
- **Inspire** ourselves to take action
- **Have a fun weekend** relaxing and connecting with other young professionals!

For those unfamiliar with COR (Connecting Our Roots), it came about in January of 2015 because we wanted to create an experience that could meet the needs of those in the Unificationist community. We feel that in the midst of our busy schedules, people are looking for opportunities to rejuvenate, have space to consider the "Why" in our lives, and connect with others in a meaningful way. We feel building this connection is more important now than ever, we hope you can be part of the experience!

Leibenzell Retreat Ministries feels that children are a vital part of their community. Children age 5 and under are welcome to join at no additional cost. If you are planning to attend with your children, please enter their information when you register so that Leibenzell can prepare food for them. Please bring whatever you need for your children to sleep comfortably in your room.

We are not planning to provide child care at this time. If several families register, we will help parents get in touch with each other to communicate about caring for their children together or arranging for other child care.
