---

New Hope School, a UC-based school located in Clifton, NJ, is seeking teachers for the 2022-23 school year in the following classes: kindergarten and 4th grade. We are an MSA-accredited school that maintains a challenging academic curriculum as well as a strong character education program. Many of our graduates have been accepted at Passaic Valley Technical Vocational School, an elite charter high school in the area.

We recently celebrated our 25th anniversary at which the Mayor of Clifton, James Anzaldi, awarded the school a proclamation honoring our service to the families of our community over many years. We have also been awarded the status of Best of Clifton Elementary/Middle School for the past 3 consecutive years.

The school offers a wonderful opportunity for young teachers to gain experience and training and has helped many to receive their teacher certification.
