Grace of Prayer at the Tree of All Things

Every year during the Autumn CheonBo Great Works, members had the opportunity to receive the grace of Blessing of All Things through the 'Prayer at the Tree of All Things.' This was done by passing and receiving the light to their own Cheon Il Guk Holy Candle during the event. Then for the next year until the next Autumn CheonBo Great Works, members could receive this Blessing everyday throughout their daily lives.

Due to the pandemic, this was impossible, however, for 2022 Autumn CheonBo Great Works, the seed candle has been sent to each regional and national leaders before the Special Great Works.

To receive this grace, you will have to go to church and participate during the Prayer at the Tree of All Things. However, if this is not possible due to the pandemic or because of the time difference, then you may separately go to your church and received it during a certain period (Oct 22 (Sat) ~ Oct 31 (Mon) 24:00). **The more detailed instructions can be found in the attachment of this memo.**

Church leaders should refer to the attachment when bestowing the light for the candle.

We will announce you when and how you receive the light from the seed of holy candle of the tree of all things as soon as possible.

**Assistant Pastor of Clifton family church
Atsushi Takino**

Regarding the Special Candle for 2022 Autumn CheonBo Special Great Works Prayer at the Tree of All Things

The special candle of the Tree of All Things has always been bestowed to members who came and attended the Autumn Great Works every year at HJ Heaven and Earth CheonBo Training Center.

The grace of this special candle of the Tree of All Things is to connect members with True Parents' Heavenly Fortune (Blessing of All Things, witnessing and multiplication of children) Due to the Pandemic it has been impossible to travel, therefore, it was permitted for each region and nation to bestow the special candle of the Tree of All Things to the members without physically coming to South Korea.

Therefore, this Special Candle that you received can be multiplied and given to members who register for 2022 Autumn CheonBo Special Great Works and attend the Prayer at the Tree of All Things on either October 22 (Sat) or 23 (Sun). We ask all leaders who are responsible to bestow this special candle to register for the Great Works and then multiply it to your members at church.

It is ideal for all members to attend the 2022 Autumn CheonBo Special Great Works with a Cheon Il Guk Holy Candle and receive the light from their leaders during that time. However, due to the pandemic and also time, if it is difficult to gather and hold this ceremony then please give the light of the special candle after the CheonBo Great Works in your local churches. The condition to receive this grace is to **register** for the 2022 Autumn CheonBo Special Great Works.

Method of giving the light to members after the CheonBo Great Works is explained below.

Period: October 22 (Sat) ~ October 31 (Mon) 24:00

Preparation: Each family should prepare one Cheon Il Guk candle

Special Candle: Only one candle should be bestowed to each family

Method: The bestowing of the special candle should be done by the leader

1. Singing Holy Song
2. Bow to True Parents
3. Leader lighting the seed special candle and then offer a representative prayer
4. Bestow the fire: The leader will hold the seed holy candle and then members will receive the light from the leader. The light can be given via members and not necessarily only from the leader. (Only members who registered for the Great Works will receive this grace)
5. Prayer by everyone
6. Eogmanse (representative)
7. Bow to True Parents

*Please make sure to do this bestowing before October 31 (Mon). If the ceremony takes place after this date then there is no grace.

The Seed Special Candle that was used for the ceremony can be given to the leader's family. The leader cannot multiply this grace after October 31 (Mon) 24:00 to other members. The grace of the Special Candle is only available for members who **registered** for the Autumn CheonBo Great Works. During the Great Works evil spirits that were blocking us to receive

the Grace of All Things were liberated which thus enhances the blessing of all things of the Special Candle. (There are no specific holy matches so please prepare your own holy matches)

If the leader bestows the light of the Special Candle to members who didn't register for the Autumn Special Great Works then the grace that the leader was supposed to be receiving will be given to that member. In other words, the grace of the Special Candle is 100% and when the leader bestows it to others who didn't register then 1% of the 100% will be given to that member and the leader will only have 99% of grace.
